### AN ASSAULT

Made Upon a Twelve Year Old Girl, in Gilmer County, W. Va.

PARKERSBURG, W. Va., March 20.—Details of a dastardly attempt to outrage the person of Fairy, the little twelve-year-old daughter of a Mr. Chrisman, residing near Stout's Mills, in Gilmer county, were received here today.

About noon Friday the little child was despatched to the store, about a mile from her home, on a purchasing trip. When at a lonely place in the road, a high bluff, near the Marshall homestead, a stranger grabbed her. The little girl began to struggle and made an attempt to cry out, when the brute clutched her throat and informed her that should she make an outcry he would kill her and throw her into the river, at the same time endeavoring to force her over the bluff.

The little heroine fought like a man, and in the struggle her clothing was torn to shreds, and but for the noise of an approaching vehicle the child would probably have been forced over the precipice into the river below. When the noise of the vehicle was heard the man released his hold on the child's throat and fled.

Robert Downing.

Large interest is attached to the coming of the great tragedian, Robert Downing, who is to appear in this city Wednesday of this week—the 23d.

Mr. Downing comes to Marietta under the auspices of Raynald Lodge, Knights of Pythias, this city. Mr. Downing and his entire company are members of the order, and occasionally they "work" in the lodges of the towns they visit.

On the occasion of the company's visit to Marietta the members will attend a meeting of Raynald Lodge, after the performance, and will confer the rank of "Esquire" on two candidates. All local and visiting Knights are invited to attend and it is assured that they will be well repaid, for Mr. Downing's reputation as a lodge worker is almost world-wide.

At the Belle Room.

The usual large number of people gathered at the Belle Room Monday afternoon, to hear the Rev. Mr. Coll talk on the subject of "Psychological Phenomena."

Mr. Coll instructed and entertained in a manner peculiar to himself. He related a number of instances where events of peculiar psychological interest had come within his observation; and he showed by his talk in general that he had given the subject very considerable thought and research.

Important Meeting.

A meeting is to be held Thursday evening of this week at the Mayor's office, of all those persons who may be interested in a reunion of soldiers who were called out at the time of the Morgan Raid.

Rev. D. H. Moore, of Cincinnati is to lecture in Marietta on the evening of April 6th, on the subject, "Morgan's Raid," and it is aptly thought that persons here who helped to repel Morgan may desire to organize, enjoy a supper and attend the lecture in a body.

Burdett Entertainment.

At the Gilman Avenue M. E. Church Monday evening Mr. James S. Burdett repeated the enjoyable entertainment which he gave a few evenings ago at the First M. E. Church. A good-sized audience was present and was much pleased with Mr. Burdett's recitations and selections.

An Even Hundred.

The Marietta Commandery Knights Templar, now numbers an even hundred members and is still growing at an unusual rate. The Commandery is in a flourishing condition and has already begun work on the first Knight of the second hundred.

Freight Blockade.

The large run of east bound freight on the B. & O. S. W. Ry., has caused a blockade at Belpre, the B. & O. being unable to handle the heavy trains as fast as they come in. There are now over 300 loaded freight cars on the tracks at Belpre.

Hornbrook--Bedillion.

Mr. Fred Hornbrook, of Sistersville, W. Va., and Miss Abbie Bedillion, of this county, were married Sunday morning, March 20th, at the home of R. B. Bedillion, at Wade. The ceremony was performed by Rev. J. H. Doan.

Rivers Rising.

The heavy rains of the past few days brought the rivers up with a rush on Monday, but no danger is feared. The gauge at the foot of Second street at midnight showed 26 feet four inches and rising.

Cataract Removed.

Sammy Neal, a four-year-old boy residing on Washington street, underwent a successful operation Sunday for the removal of a cataract from his eye. The operation was performed by Dr. Wright.

Hall's Family Pills are the best.

When love knocks at a woman's heart he usually comes in disguise. Doesn't want it? Knows what he's up to. If she knew all about the little rascal, would she let him in? That's a question. Women are apt to look upon love and marriage as purely a matter of sentiment and affection. That is pretty nearly right; yet there is a practical side to it too; and the best way to preserve the ideal aspect of marriage and maternity is not to forget the practical part of it. A woman cannot be thoroughly happy wife and mother unless the distinctive physical organism of her sex is in a healthy and vigorous condition. The best friend that woman ever had is the "Favorite Prescription," of Dr. R. V. Pierce, Chief Consulting Physician of the Invalids' Hotel and Surgical Institute, Buffalo, N. Y. The "Favorite Prescription," is a perfect and infallible remedy for every form of "female weakness." It cures by restoring health and strength to the internal organism, which cannot be reached by "local applications;" thus the cure is radical, complete and constitutional. Dr. Pierce's eminent reputation as a physician of wide learning; and his special knowledge of the delicate and intricate organism of women, accounts for the unparalleled confidence, which women place in his "Favorite Prescription," over every other remedy. Its use obviates the necessity of dreaded "examinations" and the stereotyped "local treatments." Dr. R. V. Pierce, Dear Sir:—I suffered fourteen years with female weakness, nervousness, and general debility, trying everything I could find to help me, all to no avail. I then heard of Dr. Pierce's medicine and although I was thoroughly discouraged, I thought I would try once more to find relief. I took your "Golden Medical Discovery" and "Favorite Prescription," and too great praise cannot be given for the rapid relief they gave me. I am now free from the former troubles. Very sincerely yours, **(Mrs.) Mary J. Stewart.** Box 46, Saratoga, Santa Clara Co., Cal.

The elevator boy made a trip to the upper floors and is believed to have perished. It is not believed any other lives were lost. About a dozen firms, including book binderies and similar concerns, were burned out. The loss on the building was \$225,000.
